

Recouvrement d'un cube (96 facettes)

Nombre de facettes : un multiple de 24

$$2 \times 24 = 48$$

$$3 \times 24 = 72$$

$$4 \times 24 = 96 \text{ (exemple du tuto)}$$

$$5 \times 24 = 120$$

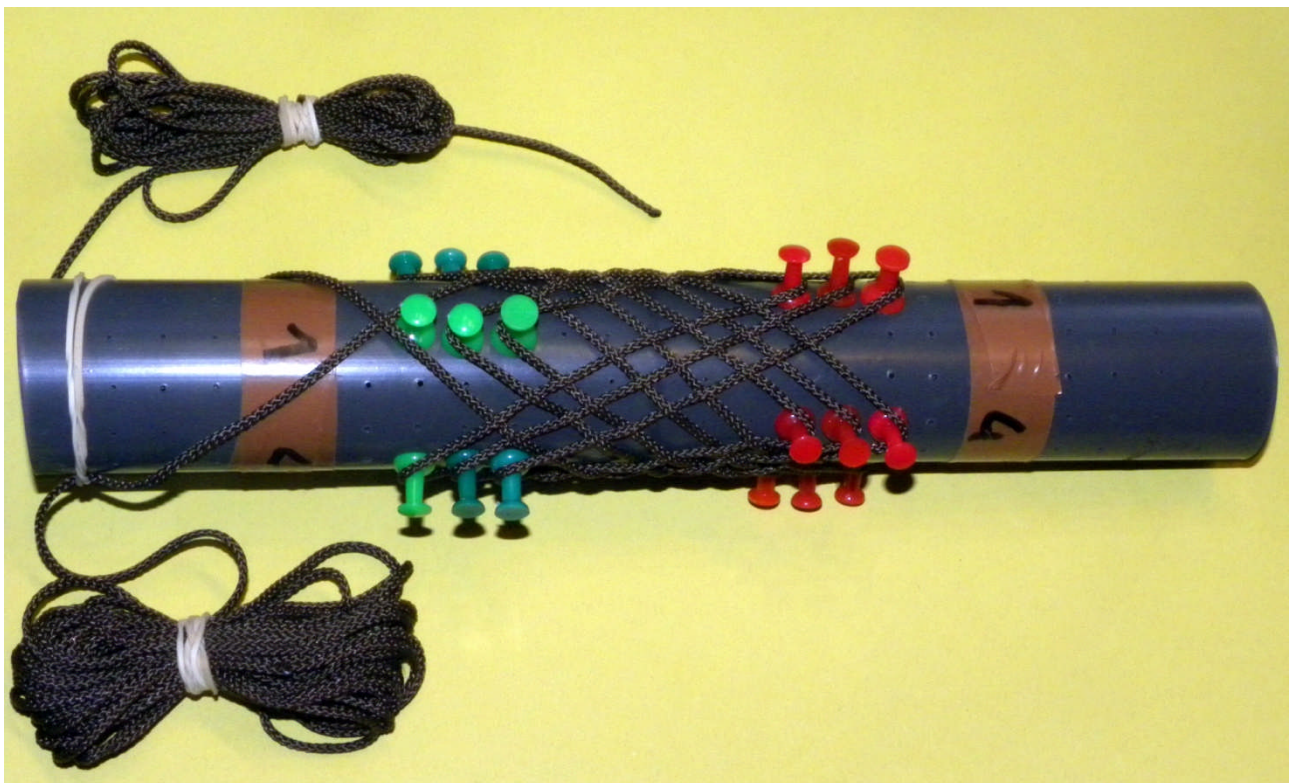

$$6 \times 24 = 144$$

Etc.....

Michel Since

Mailles triangulaire 

Un cube à 8 coin il y à 8 mailles triangulaire donc une maille triangulaire par coin

Michel Since

Cube fini (quadruplé)

Cube = 33mm X 33mm X 33mm

Drisse = Ø 2mm
